

February 22, 2021

**Dahlgren Township February 22, 2021 Special Meeting**

The Dahlgren Township Board of Supervisors held a conference call for a special meeting. On the conference call were Chairman Jeff Thompson, Supervisor Paul Modeen, Supervisor Brian Gennrich, and Clerk Mary Olson.

Chairman Thompson called the meeting to order at 7:00 p.m.

The reason for the conference call was to discuss the upcoming work on Highway 212 and Local Road Improvement Program (LRIP) grant. The following items were discussed:

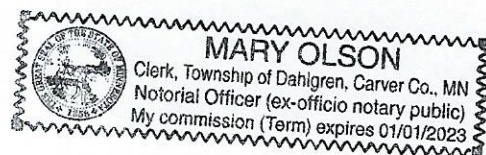

- **Highway 212 Cooperative Agreement:** The agreement is moving forward and is ready to review.
- **Highway 212 Turn Back Agreement:** Part of the old 212 from Kelly Avenue on the south side of the new 212, east approximately .65 miles will become a Dahlgren Township road. During discussions with the County and State, Chairman Thompson requested a financial compensation to help maintain the road going forward. The County and State were not in favor of a monetary compensation. During the conference call it was discussed that the Township would be willing to take the road if the County/State would mill down the road and put on a new overlay, the same is also for the approximately 270 ft of Kelly Avenue on the north side of the new 212. Chairman Thompson will discuss this with the County/State and will let the Board know if anything was decided at the next Township meeting.
- **Local Road Improvement Program (LRIP) grant:** The Township will be moving forward in requesting the grant to improve Dahlgren Road from Muellers Gravel Pit to County Road 43. The Township received a quote from Muellers to asphalt the road and it would be approximately \$480,000. Chairman Thompson will be contacting the City of Carver to see if the City and Township could work together on the grant process.

On motion by Supervisor Modeen and seconded by Supervisor Gennrich to adjourn the meeting.

Brian Gennrich – Aye  
Paul Modeen – Aye  
Jeff Thompson – Aye
