The Dahlgren Township Board of Supervisors met for a special meeting on Dahlgren Road, on September 24, 2015, to discuss repairs in the right-of-ways on Dahlgren Road near 5670 Dahlgren Road. Present were Chairman Mark Willems, Supervisor Gene Miller, Supervisor Rich Buetow, ~~Doran Braice~~ *M.O.* and Clerk Mary Olson. Also present was Ron Olson. *me*

Chairman Willems called the meeting to order at 6:30 p.m.

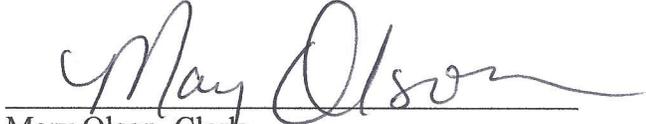

Mark Willems will contact the Township Attorney and ask if the Township can repair a culvert that was installed by the Township but comes out on private property. If the Township Attorney states that since the Township has already done work on the culvert, the Township ship should be able to do repairs without property owner's approval, Ron Olson Construction will fix the culvert, place rip rap and put in fill. He will then build a berm along the road.

If the culvert cannot be repaired without property owner approval, Ron Olson Construction will place Jersey barriers along the road that will have reflector posts installed at each end of the barriers.

On motion by Supervisor Buetow, seconded by seconded by Supervisor Miller to adjourn the meeting. Vote-aye-all-approved.

Mark Willems, Chairman

Mary Olson, Clerk
