

**RESOLUTION 75-12 REVISED DAHLGREN TOWNSHIP CHAPTER  
OF THE 2030 CARVER COUNTY COMPREHENSIVE PLAN**

**WHEREAS**, Town Board of Dahlgren Township, Carver County, Minnesota accepts the changes made to the Township chapters in the 2030 Comprehensive Plan (Comp Plan). Changes to the Township chapters are required for two reasons:

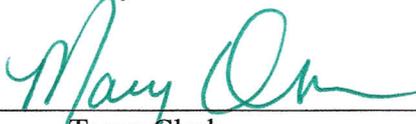

1. In October 2010, the County Board adopted an update to the County's Water Management Plan (Water Plan). Because the township chapters in Comp Plan referenced the previous Water Plan, the adoption of the new Water Plan necessitates an update to each Township's policy regarding water resource management and the Water Plan.
2. The Water Plan is intended to serve as each Township's Local Water Plan. Local Water Plans are required under MN Statute 103B.235. Adoption of the Water Plan by each Township is needed in order for the Water Plan to serve as the Township's Local Water Plan.

Changes were also made to the Land Use Policies for Dahlgren Township. Language regarding the East Union Rural Service Districts was also consolidated into Land Use Policy LU-3. Making this change is not required but consolidates the information into one policy.

**THEREFORE, BE IT RESOLVED**, THAT The Dahlgren Township hereby adopts the changes made to the Dahlgren Township Chapter of the Carver County 2030 Comprehensive Plan.

Adopted this 10<sup>th</sup> day of December 2012.
